Hi Mary,

The Roads Section of Limerick City and County Council has no objection to including the sections of public road as indicated on Healy & Partners Drawing 117-118 (dated Feb 20) as part of the site boundary for the Annacotty Strategic Housing Development.

Please find attached the site location map for the SHD application in Annacotty.

We have finally determined exactly what land is owned by the applicant Regal Park Development Limited. As you will see we need to include some land in the ownership of LCCC within the site boundary to facilitate delivery of the bus lay-by.

Could we get a letter / email of consent from you please to confirm acceptance of the inclusion of LCCC land within the red line application boundary.

We hope to lodge the application with An Bord Pleanala on Friday 21st Feb.

Many thanks

Mary
